

# Princeton Oarsmen Win Handily Their First Big Regatta of Recent Rowing Days

## TIGER CREW LEADS HARVARD AND PENN

Five Victory for Princeton in Contest on Charles River Basin.

OFF TO BAD START AT THAT But Jerseymen Show They Are Real Racers by Making It All Up.

Princeton, Mass., May 12.—The Princeton eight oared varsity crew rowed a record race today on the Charles, beating both Harvard and the University of Pennsylvania. Crossing the line to the finish in 15 minutes 22 seconds, the Princeton crew was about 100 yards ahead of Harvard and 200 yards ahead of Pennsylvania.

The Jerseymen deserved to win not only for their form but on their own merits. At the start the Tigers got away badly and before more than six strokes had been pulled were more than one-third of a mile behind the Harvard crew.

Princeton trailed for about three-quarters of a mile, but in the neighborhood of the half mile passed Pennsylvania and then caught up with Harvard. The Princeton crew was about 100 yards ahead of Harvard and 200 yards ahead of Pennsylvania.

Princeton was known to be the smoothest crew of the three, but much work was taken in Harvard's power. This the Cambridge eight surely had this afternoon, being able to keep close to the Princeton crew in the last mile of the race when the Princeton crew was about 100 yards ahead of Harvard and 200 yards ahead of Pennsylvania.

## PRINCETON'S OARSMEN WHO BESTED HARVARD AND PENNSYLVANIA

## GENERALSHIP WINS FOR MISS CASSELL

Seeing Mrs. Beard Is Superior at Driving Game She Resists to Lobs.

GETS OPPONENT ON RUN Twenty-five Women Start Open Tourney of Morristown Field Club.

Twenty-five women racquet wielders started the annual women's open lawn tennis tournament yesterday on the Morristown Field Club courts at Morristown, N. J. Among the group of competitors were Miss Marie Wagner, national indoor champion, Mrs. C. N. Beard, New Jersey State titleholder, Mrs. Marshall McLean, Miss Clara Cassell, Miss Gertrude Della Torre, Miss Polly Sheldon, Miss Mary Craig, and others who are well known throughout the country.

Miss Clara Cassell and Mrs. C. N. Beard met in one of the best matches of the day. The real fighting in the match was between the half mile and three-quarters, and at the latter point Harvard and Princeton were battling on even terms. A few rods ahead of the three-quarter Princeton forced ahead and thereafter led the Princeton crew to the finish.

Princeton was known to be the smoothest crew of the three, but much work was taken in Harvard's power. This the Cambridge eight surely had this afternoon, being able to keep close to the Princeton crew in the last mile of the race when the Princeton crew was about 100 yards ahead of Harvard and 200 yards ahead of Pennsylvania.

## MILBURN IS ONLY ABSENTEE.

Other Members of Big Four Have Hard Practice Game. Wednesday, May 12.—Although the weather was cold the big four toists, minus Milburn at back, had some hard practice this afternoon on the field at Meadow Brook, and after a closely contested game managed to beat their opponents by a score of 6 goals to 4. The lineup of the Whites was: J. S. Phipps, No. 1, L. J. M. Waterbury, No. 2, C. C. Runney, No. 3, Foxhall P. Keene, No. 4, H. C. Phillips, back. The game was over the law, where the Blues began national games will be played, and the turf was in good condition.

In the first period Whitney caught the ball and passed to Waterbury, who carried it down the field, but overcame and Keene got the ball, passing it to Runney, who made a long back run with it and finally made a clever shot under his pony's neck to Aranziz, who dribbled over the goal. The second period Whitney again got the ball and passed to Phipps. The latter made a short distance, then drove to Monte Waterbury, who was looking for the pass. The Whites got the ball and it was only after several mixed shots that Whitney was able to score the ball.

Keene was the star of the third period. In the riding and driving section, several times he placed the ball, but his team mates failed to score from the position and Whitney again put it through for the Whites.

## YOUNG HITCHCOCK A PRODIGY.

Scores Half His Side's Goals in Polo at Meadow Brook Club. Wednesday, May 12.—The first game of the season on the field of the Meadow Brook Club, N. J., was played today. The score at the end of the sixth period stood 6 to 6. The Whites scored goals with the Whites, with Mrs. Thomas Hitchcock for referee and Mrs. Lavinia for umpire.

This is Mrs. Lavinia's first season of polo. The extra man on her side made up for the greater experience of the women on the other side.

The playing of Thomas Hitchcock, Jr., the seven-year-old son of Mr. and Mrs. Thomas Hitchcock, is regarded as phenomenal. His stroke is accurate and true and has the regular carrying quality seen in the play of a natural player. He captured three of the six goals for his side.

Polo Ponies Here to-day. Aboard the steamer Minneapolis, from London, which will dock this morning, are forty-four polo ponies, which will be used by the British polo team in the coming international contest.

## AUSTRALIANS BEGIN PRACTICE.

Open Two Week Stay in Philadelphia on Huntington Valley Course. PHILADELPHIA, May 12.—The Australian polo team, consisting of Mr. J. N. Dwyer, captain, Horace Rice, A. B. Jones and E. W. Higgs, arrived in this city today for two weeks practice.

Today Dwyer, Rice and Jones practiced on the Huntington Valley Country Club at Noble. The grass courts were in good condition. The Australians are guests of the club. They will practice here also tomorrow and Saturday, then will use the Merion Cricket Club courts at Haverford.

In order to give them the best of practice, Dr. E. B. Dewhurst, Wallace R. Carter, J. M. Williams, Joseph R. Carter, Herbert J. Herbert, M. Tilden, Aleck Thayer and other well known polo players will practice with the visitors.

## INMAN AND BULL CONTINUE.

They Get Through Final Round in Chevy Chase Tennis. Washington, May 12.—P. C. Inman and C. M. Bull, Jr., of New York, won the final round of the Chevy Chase tennis tournament of Philadelphia and George Zinn of Montpelier, Va., in the final round of the tournament.

Welterweights at St. Nicholas A. C. A welterweight tournament has been arranged by the St. Nicholas A. C. for tomorrow night. Young Ashorn and Al McCoy will furnish one of the main attractions of the evening. The principals will be Young McCartney and Young Hickley. Next week this club will stage Phil Cross vs. Ray Brown and Tommy Howell vs. Wilford Ferns, with the finals to be decided a week later.

## Jap Gives Cutter One Shot.

Koji Yamada showed fine form in his 200 foot 152 lb. balking practice match at Slosson's room last night and defeated Bart Cutter in two times by a score of 200 to 2. Yamada made a high run of 258 and ended the game with an unfinished run of 42. He averaged 150. Cutter collected 8 in his only trip to the table.

## Hoppe Aways Ahead of Ortiz.

Willie Hoppe defeated Jose Ortiz by a score of 400 to 152 in last night's practice game of 182 baseline billiards at Daly's room. Hoppe's best run was 86 and he averaged 83.13. Ortiz averaged 12.6-12 and made a high run of 41.

## PACKARD TO GO ON FOR 300 HOUR MOTOR TEST

Six Cylinder Going On to Make Unusual Record—Other Notes of Motoring.

The Packard 28 six cylinder motor that has been running on a non-stop test in the laboratory of the Automobile Club of America, under the observation of the State of New York, is now being tested by the testing department of the club, completed the 200 hours originally allotted for its stint at 6:15 o'clock yesterday morning.

It was decided then, to run the motor as long as it would keep on for 300 hours, which will make an unusual record. This period will come to an end on Friday morning between 10 and 11 o'clock. The motor, which has been running about 1,200 revolutions an hour, is figured with a gear ratio of 2.5 to 1 to have been doing work equivalent to hauling at the rate of 25 miles an hour. In the 200 hours, therefore, it covered 1,000 miles and perhaps a little more.

There is an impression that a law is in existence in this State requiring that all owners of others who drive automobiles must be examined and licensed. Inquiry at the automobile bureau of the Secretary of State in this city yesterday brought out that if such a law exists no notice of it has been certified to the State of New York, and if it is done conditions will remain as they are.

The Automobile Club of America touring department reports that motor cars are being driven through the Hudson Valley, Huntington and the New York City limits on Long Island. Motor cars are being driven through the Hudson Valley, Huntington and the New York City limits on Long Island. ## DOG BREEDERS AT ODDS.

Reader Says Mrs. Turner Held Him Up to Ridicule. Rivalry between the French bull terriers, Countess Toots, owned by Arthur P. Bender of Allentown, Pa., and Edgar Penrose, owned by Mrs. Winthrop Turner, of the Never Never Land Kennels, resulted in a suit yesterday in the Supreme Court against the latter by Bender. Bender alleges that after an Allentown newspaper carried an article telling of the success of Countess Toots at the last show of the Westminster Club at the Hotel Astor, the defendant wrote a letter to the newspaper denying that Countess Toots had won any show over Edgar Penrose, and stating that any one knowing the two dogs would place no credence in the statement as to Countess Toots' superiority.

Bender alleges that the editor of the defendant held him up to ridicule as a breeder of French bulldogs, and asks \$50,000 damages.

## CRAIG LOST TO ATHLETICS.

Has Concussion of Brain From Jump in Penn-Michigan Game. PHILADELPHIA, May 12.—As a result of an accident sustained in the Pennsylvania-Michigan game, Walter Craig, star member of Penn's football eleven and track and field squad, is lost to athletics permanently.

Under the direction of Dr. J. William White, Craig was examined today by Dr. Charles V. Burr in order to determine the extent of the injury to the head which Craig sustained while carrying the ball against Michigan in the game of last year. Since the accident Craig has been a sufferer from partial paralysis. He was a victim of frequent attacks, which came on at night. These left him powerless to move, though at all times he retained consciousness.

Dr. Burr, a foremost brain specialist, found that Craig was suffering from a concussion of the brain which might result seriously in case he should endeavor to continue in sports.

## Brooklyn Prep Faculty Relents.

Refuses to Give 200 to Princeton. As a result of the faculty's action in allowing the members of the Princeton team to play the game, the Brooklyn Prep Faculty has relented and has refused to give the 200 to Princeton. The game was played on Saturday and the Princeton team won by a score of 200 to 0.

Now that Brush has been suspended from athletics because of studies and Kephart pulled a tendon in his leg and will not be able to run for a couple of weeks, Erasmus has not a sure prospect winner on his track team. Coach Hatcher has a lot of promising novices, however, and has entered them all in the P. S. A. L. novice games next Saturday.

## Changed Date Avoids Conflict.

Because of the indication of a clash, and because of the fact that the Princeton team will be held at Princeton, N. J., on May 29 the Queensboro High Schools A. A. has changed its date to the 14th of June in order to allow these two schools to meet their respective track teams in the Tiger meet.

## Coch Dismisses Conboy From Team.

First Baseman Conboy of the Morris High School line has been dismissed from the team by Coach Evans for leaving the team. Conboy was a member of the team for a long time and was a very good player. He was dismissed because of his poor conduct.

## Christgau Wins Captaincy.

In a close contest for the captaincy of the basketball team, Christgau defeated Ted Christgau. The victory was a guard on the 1912-13 championship five.

## Zbyszko Will Train for Cazaux.

Zbyszko, the big Polish wrestler, who is matched for a final contest with Cazaux, will be trained by Cazaux. Cazaux is a very good wrestler and is expected to win the contest.

## Harder Nearly Beats Conlon.

Frankie Bradley spoiled the chances of beating Johnny Conlon, the bantamweight champion, in a six round bout at the Olympia to-night by holding on and being slow to break in the last round of the contest. For five rounds Bradley by holding off Conlon did well and had the champion worried as to how to reach him, but in the sixth the clever local man seemed afraid to take a chance. He was ever ready to clutch and hold on so tight that the referee had difficulty in breaking the men apart.

## GIBBONS AND MCCARREN PUT UP.

Each Posts \$1,000 to Make 151 Pounds Hurdle for Bout in Garden. Managers of Mike Gibbons of St. Paul and Jack McCarrren of Philadelphia, the crack middleweights who met in a ten round bout last night at the Madison Square Garden, posted \$1,000 each to make 151 pounds. Gibbons and McCarrren have agreed to make 151 pounds at the Garden.

McCarrren's manager, Philadelphia Jack O'Brien, who was here yesterday, produced a scrap book containing various accounts of the six round battle between Gibbons and McCarrren in Quaker City last fall, and accounts of the fight at the Garden yesterday. Gibbons and McCarrren have agreed to make 151 pounds at the Garden.

Gibbons went over to Boston in the afternoon to take part in a bout there last night. He will return to Philadelphia tomorrow and will be fighting tonight. Gibbons and McCarrren have agreed to make 151 pounds at the Garden.

## LACROSSE TITLE GOES TO HARVARD AGAIN

Lincoln Goal Tender, Does Great Defence Work Against Cornellians.

THIRAKA, May 12.—Goal Tender Lincoln's brilliant playing won for Harvard the victory in today's game with Cornell and clinched for the Cambridge men the lacrosse championship for another year. This is the sixth victory and the sixth championship they have won in seven years.

The Crimson scored 4 points in the first half and in the second. The brilliant work of Brimble, ably supported by the Harvard offense, broke through Cornell's good defense in the first half, but in the second the Harvard men played and played and played. The Harvard men played and played and played.

## SCHOOLBOY MARSTON AGAIN IS MEDALLIST

Just as Last Year. He Makes a 77 in Intercollegiate Golf Tournament.

PAWLING HAS TEAM PRIZE Philip Carter Improves Greatly in His First Round at Match Play.

History repeated itself in the opening round of the annual Eastern intercollegiate golf championship at the Plainfield Country Club yesterday when Max R. Marston, representing the Pingry School, won the medal with a score of 77. A year ago at Montclair this player won the medal with a score of 77. On that occasion Marston played from Plainfield, but since then the Crawford roller has transferred allegiance to Pingry, which is nearer home.

Without wasting any time the boys teed up for their testing and in the morning the top sixteen qualifying to continue at match play after luncheon. Coincident with the medal round was a team competition arranged mainly to counterbalance the 1912 tournament was repeated in that the Pawling School won, and its feat was the more creditable considering that it had to do without the services of Marston. In total of six led the Lawrenceville School, its closest competitor, by a margin of ten strokes.

As might be supposed, Marston's card of 77 left room for few regrets. Although the Crawford roller had a score of 77, it is worthy to mention that these distances have been made by air line measurement, which means that it is actually a 600 yard course by the usual method. Marston's score of 77 is a record for a first round in the history of the intercollegiate championship. Marston had nothing harder to do than rest on his laurels. He came back in 10, the card reading as follows:

Two strokes away from the leader and the only other player to get under 80 was Max R. Marston. In the afternoon, however, he got going better than he had before, but despite the fact that he returned a 75 he defeated C. H. Lovett of Penn Charter by the narrow margin of only one stroke. In contrast to this was the downfall of Robinson before C. F. Weems of Lawrenceville youth, who took 88 in the qualification round. Marston had nothing harder to do than rest on his laurels. He came back in 10, the card reading as follows:

The scores and summary follow:

Name and School	Out	In	Total
Max R. Marston, Pingry	77	77	154
C. H. Lovett, Penn Charter	78	78	156
W. H. Grier, Pawling	79	79	158
Philip W. Carter, Pawling	80	80	160
W. H. Grier, Pawling	81	81	162
W. H. Grier, Pawling	82	82	164
W. H. Grier, Pawling	83	83	166
W. H. Grier, Pawling	84	84	168
W. H. Grier, Pawling	85	85	170
W. H. Grier, Pawling	86	86	172
W. H. Grier, Pawling	87	87	174
W. H
